Dear Dr. Sagir,

We are pleased to inform you that your presentation titled "*In earshot of bombs: Identity, acculturation, mental health, and coping in Muslim refugees on the Syria-Turkey Border*" has been accepted as an oral presentation at the meeting "Immigration to Major Immigrant-Receiving Countries: Immigrant and Host Perspectives". I'm also pleased to say that we can offer you \$1,000 Canadian towards your travel and accommodation expenses.

Accordingly, we would like to invite you to give a presentation on your research (a 35 minute slot in the program—25 minute talk and 10 minutes discussion). Please note that the conference only has one stream, so when you present you should have the full attention of all delegates.

The meeting will take place at the Westin Hotel in Ottawa from November 29-30, 2016. The meeting is jointly organized by SPSSI (the Society for the Psychological Study of Social Issues) and SASP (the Society of Australasian Social Psychology) and the two organisers are Prof. Victoria Esses (University of Western Ontario) and Prof. Jolanda Jetten (University of Queensland).

We look forward to meeting you and hearing your talk. Please do not hesitate to contact me if you have any questions about this.

Yours Sincerely,

Prof. Jolanda Jetten
